Happy holidays to all of our friends from TABOO. We hope you are enjoying yourselves, indulging in all of your various perversions out there. We'd love to hear from you, please write to us in some form or another. We still read good old fashioned letters as well as email etc.

We welcome the beautiful and bewitching Riley Faith Newsome to the pages this issue. Riley's spirit and enthusiasm for SM makes her so much fun to watch. Her wide smile tells all as she claws and twists the cock and balls of her sub. Her tender side shows too in the gentle ramming and reaming of his asshole. More Riley please!

Poor little, blonde house slave Lindsey does everything she can to not disturb Mistress Zafira's cat nap. But alas, she fails

miserably, taking a very clumsy, and noisy tumble. Suddenly awakened, Mistress Zafira wastes no time punishing Lindsey's round ass, first with a firm hand, then she employs her acrylic shoe horn! Ouch! Still not satisfied, Zafira Straps on her dildo and searches out Lindsey's tight bung hole to violate. Finally, Lindsey is redeemed, lulling her Mistress to sleep with a thorough tongue to pussy servicing. Good girl!

Pathetic Satin Bloom tries to make Cage happy. She opens her anus as much as she can, but apparently, gaping though it may be, it's still not enough. He stretches and pulls and then decides a milk enema should do the trick. And indeed, some trick it is!

Thank you for another fabulous TABOO year! We love our loyal readers. You are truly the best!

Hustler's TABOO: *When did you start fetish modeling and under what circumstances?*

Riley Faith Newton: I did some non-fetish modeling a bit. I have always been interested in fetish modeling. When the opportunity came about, I was thinking of the Eminem song from *8 Mile*, "this is your moment, you better never let it go, you only get one shot..." lol

Sloppi Chulo: I started doing erotic figure modeling at the Charles Leslie Drawing Studio in SoHo about ten years ago, posing for artists, and the opportunities radiated outwards from there. I've done a lot of erotic modeling since and plenty of sexy shoots, several with a kinkier bent—some toys here, some leather there—but this TABOO shoot is definitely the most official opportunity for fetish modeling I've ever had.

HT: *How did you feel the first time you took your clothes off for the camera?*

RFN: Surprisingly it felt normal, thankfully, I have become very comfortable and confident with my body so it felt very natural. I mean we're all born naked! lol.

SC: Oh the best. I hate clothes. I'm a notoriously terrible dresser. I still wear tee-shirts I've owned since high school. I've always enjoyed the freedom of nudity in public and in private. There's something about being an object that makes it all very exciting.

HT: *How did you become aware of fetishism or your fetishistic side?*

RFN: I guess the empowering part of it is what attracted me. I love seeing a woman dominate a strong sexy man, especially in a sexual way. We're bombarded with images seeing men being dominant over women and I

wanted to be a part of images that reflect female domination equally.

SC: The organizing principle of my sexuality is exhibitionism and sexual performance. That's the umbrella that most other kinky experiences fit under.

What fetishes do you like personally? What do you fetishize in your life?

RFN: Not sure why because I'm very much a straight woman, but, I love seeing a strong, straight man dressed in a soft feminine way, wearing a dress or skirt. I definitely want their to be a hard dick under the skirt, don't get me wrong. I like seeing a softer side of a straight man since it's deemed sooo not ok by society's standards, and he is immediately thought of as gay. But yet we find it sexy if a straight woman is dressed in a suit and has her hair slicked back to look masculine, but we know she has breasts and a pussy under that suit and tie!

SC: I'm very open-minded and fetish-positive, but the truth is that I'm still pretty inexperienced when it comes to kink. My home base is definitely the world of watching and being watched, but I'm curious about all sorts of stuff and willing to learn!

HT: *Do you wear fetish clothes in public? What are your favorite items?*

RFN: I've worn a corset in public but that's as fetish as I'll get in public. I like to keep any extra fetish attire for photoshoots or personal private time with a lover/boyfriend/husband.

SC: Not typically, but I've randomly done outdoor shoots wearing a harness or shirtless carrying antlers

around. I remember feeling nervous to be walking around in Gramercy like that, but New Yorkers didn't even bat an eye. I was probably the 11th weirdest thing they'd seen that afternoon.

HT: *Have you ever scened in public?*

RFN: Does giving my former boyfriend a foot job in his car as it was parked on a semi public street early evening time count?

SC: I've done some semi-public stuff for OnlyFans—jerking off in the woods, juggling a soccer ball naked in my backyard, some rock scrambles with my dick out at Mohonk Preserve in the height of the pandemic. Mostly, I've been shot indoors.

HT: *Are you dominant, submissive or a switch?*

RFN: I'm more dominant but don't mind switching as long as it stays consensual.

SC: I've discovered of late that I basically just want sexy women to tell me what to do.

HT: *Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?*

RFN: I guess being photographed naked was a huge sexual boundary I've crossed. I grew up in a somewhat strict household and went to Catholic school so I was surrounded by nuns. I got the impression fairly quickly that it was not okay to be a "bad girl." But the older I got, I felt suppressed. I still have strong faith, but I no longer feel shame about sex. I used to think it was better to wait until marriage to have sex, but I could no longer contain my sexual desires waiting for "Mr. Right" to marry me. My

sexual boundaries went from being very vanilla to pegging a guy while wearing leather and super high heels.

SC: The first woman who asked me to spank her, I was like, aghast. YOU WANT ME TO DO WHAT? Over time I figured that one out! My boundaries are always expanding as I'm getting less and less ashamed of queerness, of desire, of being on display, of natural human impulses.

HT: *Is there anything you would like to try sexually/kinky that you have not yet?*

RFN: I would like to try more role playing; dressing up in costumes like as a librarian, nurse or even a nun!

SC: Group sex is on the to-do list. Submission stuff, *really* ceding power, exploring bondage scenarios. I'd love to submit to a woman who's super experienced with tease and denial, edging, rope stuff, that arena, or just with a specific vision for how she wants to be worshipped. I'm good at following instructions!

Do you like rough sex?

RFN: I like some slight rough sex, being deeply pounded hard, but I love to sit on a guys face and suffocate him slightly with my butt cheeks.

SC: I like passionate sex, but the super rough stuff has never been especially my cup of tea.

HT: *What about pissing or golden showers? Has anyone pissed on you? Or you on them?*

RFN: That is a hard NO. For me that crosses the line.

SC: Not my thing per se, but if someone wanted it, fuck it, why not?

HT: *What are your hard limits?*

RFN: No fisting, no nipple clamps, no burns, no slaps on the face, no verbal abuse.

SC: Nothing of a scatological nature or blood play, extreme pain, anything that could endanger my genitals, all of that is a hard no.

What kind of porn do you prefer? What do you search for on the internet?

RFN: I enjoy seeing mostly romantic

style sex between a man and a woman. I'm fairly vanilla when it comes to watching porn. I just want it to look like the two people are both genuinely turned on by each other and are equally giving and receiving pleasure to and from each other.

SC: I require porn that is non-violent. I search for porn that is more female-centric, has stories, is beautifully shot, shows women receiving pleasure, isn't the garden variety bullshit where the man just jerks off onto the woman's face and it's the same thing every time.

Are you in a fetish lifestyle partnership? Would you like to be?

RFN: I'm currently single at the moment, but if I were in a relationship, I don't mind a little kinky role play, maybe a slightly tamer version of the movie *Secretary*, only me and my partner would switch roles, female dominant.

SC: I am not. I'm in a more vanilla (but

n.b. vanilla is still delicious) partnership. But we are open and I'm always down to explore!

HT: *Why did you want to shoot for TABOO Magazine?*

RFN: I'm pretty simple in my day to day life and currently single. At this time in my life, I'm the most confident inside and out. If I have the privilege to grow older, I will look back on my younger days and be like, "Damn! I was hot and I did all that." Actually, I plan to be even hotter the older I get! lol.

SC: Umm because Larry Flynt was the ultimate badass and his commitment to irreverence and freedom of speech and embracing naughtiness always really resonated with me. I grew up jerking off to HUSTLER magazines, but also reading every single word of every single article. I can still remember profiles I read in high school and college about menstrual fetishists or businessmen being pampered by "mommies" at these little spas called nurseries on their way to work. HUSTLER magazine has done so much to help undo our shitty, repressive, sex-negative, puritannical inheritance, and TABOO is a part of that legacy. It's an incredible honor to be part of it!

HT: *What was your favorite part of shooting for TABOO?*

RFN: Being able to shoot with a hot and sexy male model that is, first off, super kind and respectful and okay with being dominated by me. It's almost like being carefree and no one is judging anyone. We're all here collaborating to make sexy, kinky art. I might have developed a lil' crush on the male model. ;)

SC: My favorite thing was just being in the room with Ellen Stagg, who is so fucking dope, and of course being bossed around by the gorgeous Riley. Sign me up! If my twelve-year-old self could see what the fuck I'm doing now, I think his heart would stop. And then I never would have grown up. Good thing he can't see what we're up to over here.

VALENTINA NAPPI

PHOTOGRAPHER
DAVE NAZ

The guys in the shop don't know what Valentina did to make the boss send her down to them naked, collared and bound, but she obviously needs a good tune-up. She tries to look cool, but they can smell the fear and heat when they lash her elbows together in back and make her walk the rough crotch rope while they take turns pounding her fine ass with the canes and paddles. The way she rubs her clit on the nylon cord, it's easy to imagine how she gets herself in trouble. Clever trick, the way she uses her bound hands to open her ass-cheeks for the special "tool" they use to plug her tailpipe. She can sit on that one with a matching prod roped into her grasping gash and her hands tied over her head while they ponder Valentina's further adjustments. Her cute little pucker could use some stretching, so they put her on her belly and slowly push a thicker wedge in back there with heavy boots. Her bitching makes them laugh.

Maybe if Valentina does something really dirty to amuse them they'll go easier on her. Roped to the ceiling with one high heel in the air, she lets go a gusher of yellow gold while they whistle and clap at her humiliation. Her shame only excites them more. Bound with arms and legs stretched wide, she sees them gather around her front and back. The shop may be closed, but Valentina's parts department will be open all night.

IT'S TIME FOR A SPANKING!

A woman with long brown hair, wearing a black latex bodysuit and high-heeled boots, is seated in a wooden chair. She is restrained with white rope around her waist and wrists, and metal chains around her ankles. The chair is positioned in front of a large, ornate wooden mirror that reflects a dense green forest. Below the mirror is a wooden chest of drawers with several drawers and drawers with blue knobs. On top of the chest are various items, including a black bag and some tools. The room has a yellow wall with two sconces, each with three light bulbs. The floor is made of light-colored wood. The overall mood is mysterious and somewhat unsettling.

Have you done fetish modeling before?

Yes, a few times. It's always really fun.

Have you worn an entire outfit made of latex before?

I haven't, but I love the way it feels—except it gets really hot.

What fetishes do you like? What do you fetishize in your life?

I like being choked the most.

How did you like being spanked today? Have you ever been spanked or paddled before?

It was different, but I liked it. I've never been paddled, but I've been slapped on my ass. That crop was rough. I've been switched when I was little, but not like today.

Why did you want to shoot for TABOO?

I've always been really drawn to bondage and whips and chains. I've always wanted to experiment with it but just never had the opportunity to.

Have you ever been tied up like that before?

No, never. So my orgasm was more much more intense! I'm going to try that again!

What is the wildest thing you have ever done.

A guy I was dating and I had sex in the ER while an IV was in my arm. It was pretty hot!

Have you ever been pissed on or pissed on someone?

Not intentionally! I've peed the bed before and it got on people! I've peed before on a video set, but not onto anyone, just freely. Never into a bowl; you could tell, right? Because my aim today was so bad!

Have you ever had anal sex?

Yes. I enjoy it a lot! At first it took some getting used to.

but now it's one of the things I am known for.

Have you ever had any toys up your butt?

Yes of course, but I prefer the real thing!

Are you more submissive or dominant?

I like it when a man dominates me. I like it when he yanks me and pulls me to him. I'd definitely rather have intense, hot sex rather than just a quickie. I want it to be a little rough, but in a passionate way.

Do you tend to be the more submissive one sexually?

Yes, kind of. But if he doesn't give it to me when I want it, I will take it from him. I want him to chain me up, whip me and choke me.

Have you ever dominated a guy before?

Yes, in private, not on a photo or video set. I liked it. It was fun. I mixed in some humiliation with it. I was teasing him the whole time. I would rub his cock around my lips and then withhold. He was tortured.

How about with girls?

Every time I've been with a girl, I've been the dominant. I like being able to control their body. I can control when they come, and I can control if they can move or not by holding them down. That's easy because I am a champion wrestler. People don't know that by looking at me, but they soon find out! I can control how they are breathing and everything, so I feel really powerful. I like the adrenaline rush; it makes me feel superior.

Is there anything you'd like to tell the TABOO readers?

I'd like to continue doing this and save my money, invest and be able to retire by the time I'm 30 years old. So far, I'm on track. Check back with me in few years!
